---

To our Team Hope supporters,

During these uncertain times, clearly we are all focused on the health and wellbeing of our families and the community at large. Plans for Team Hope will be on hold for the time being, given uncertainty around the development of Covid-19 in Bermuda and how long safety measures will be in place. Should the Bermuda Day Half Marathon Derby be able to go forward this year, we will certainly rally Team Hope and be in touch.

It is our hope that you and your families remain safe and healthy at this time.

Kind Regards,

**The Board of The Friends of Hope Academy**
